

## **LS-12. Advances in immunohistochemistry and cytochemistry**

10 September, 16:45 - 18:45 / 11 September, 16:30 - 18:30

### **LS-12-P-1877**

#### **Monitoring the intracellular transfer of chitosan nanoparticles by transmission electron microscopy**

Presenting author: **Costanzo M.**

*Authors: Costanzo M., Galimberti V., Cisterna B., Biggiogera M., Malatesta M., Zancanaro C.*

### **LS-12-P-2180**

#### **Chromatin alterations in pollen: an approach to understand initial mechanism of pollen embryogenesis in *Hordeum vulgare***

Presenting author: **Pandey P.**

*Authors: Pandey P., Houben A., Kumlehn J., Melzer M., Rutten T.*

### **LS-12-P-3324**

#### **Effects of Retinoic Acid on Mice Skin**

Presenting author: **Erdoğan A.**

*Authors: Kotil T., Erdoğan A., Özdemir İ., Mutlu H. S., Tapul L.*

### **LS-12-P-3520**

#### **Comparing immunolabelling properties in HeLa cells embedded in LR White, Lowicryl, or LR Gold resins after chemical or cryo fixation**

Presenting author: **Philimonenko V. V.**

*Authors: Philimonenko A. A., Philimonenko V. V., Janda P., Hozák P.*
